

## Annual Report

The task of modern educator is not to cut down the jungles, but to irrigate deserts.

May be there is road ahead of it,  
May be there is a new world down the road,  
Walking forth is the only plight,  
Because we didn't come this far to come this far only."

I take immense pleasure to present the Annual report of Vidyaniketan English Medium School to apprise you all how mission and philosophy of Vidyaniketan has materialized positively in the day-to-day working of our school in the voyage of the discovery of excellence in the field of education.

Annual Report articulates and demonstrates the dynamic nature of our School, our commitment to excellence and our relentless pursuit of achieving our best, established in the year 2004. Shri S.P.Deshmukh Shikshan Sanstha has been preparing children for the future.

### **Our Check Points –**

Class tests as check points, worksheets for concept reinforcement, weekend homework a part from the regular scheduled of H.W, tiny project, holiday assignments, and homework have become a part of academic planning and implementation schedule. For primary classes for the enrichment of vocabulary words are given every week for learning such as sight words, Advance words, describing words, new words from the text book under "My vocab programme."

With all this happening on one side we all very well cautious to follow the academic calendar, complete portions on time, give sufficient revision of the concept taught and conduct assessments.

The prior knowledge fest at the beginning of the academic year, periodic tests, surprise test, open book test, activity, projects, & Maths & Science Practicals.

Target threshold was wound around the performance improvement of the students. Students identified their own targets in every subject and together we worked to achieve the same. Its specially for the higher classes.

Learner improvement program was designed to meet the students who need help to improve in their academics, and for those who did well and needed to be groomed better.

As a part of learning, yet - We have art & craft, Music and Dance and cultural competitions conducted throughout the year.

With the school focus on academic we expect that all our students will benefits greatly from these well rounded programs.

The school implemented the house system for a better performance of students.

### **House System -**

Self-confidence provides strength and power impart knowledge, knowledge provides stability and stability leads to victory"

Thus in order to inculcate such values in our students and to make them humane, the school has divided the students in four houses namely – Ruby- depicts victory, Emerald- depicts preciousness, Sapphire- Bravery & Topaz-depicts wisdom

Each house has four house Masters and Assistants to guide the students. To foster a spirit of leadership, par co-operation, mutual understanding, tolerance and self-reliance various inter house activities are organized to build up team spirit. Besides this, the students are initiated into community service and social work. The House system gives social work. The House system gives opportunities to students to face the challenges of inter house competitions as well as competitions organized by various other reputed schools.

Various activities such as quiz, patriotic song, debate, speech etc are organized not only to tap the talents of the students but to give them a wider horizon to grow.

The four houses are vested with the responsibility of carrying out the co-curricular activities smoothly in the school. Be it, the Intra School functions, inter/intra class and inter-house competitions, conducting the assemblies, ensuring proper uniform, etc.

Moreover, the entire disciplinary rules of the school are based on the house system.

### **Events and Celebrations**

We believe that there is a purpose behind everything and everything we do in the school...

Whether it be classroom activities, events, and celebrations. Marathi Bhasha Day, Math's day, science day or children's day.

All these are well executed with a purpose to inculcate and develop patriotism, understand all religions build their character and prepare for 21st century skills...

We have always committed to create an environment in the school which help the young minds to blossom and provide a platform for individual thinking and holistic development of child's personality, so various festivals, activities and day celebrations organized in school with great enthusiasm.

The possible outcomes performing all these would definitely be positive attitude, public speaking skills, self-confidence, leadership qualities' and many many more.

### **Curriculum –**

We tried implementing NEP 2020 in school through Macmillan publication. We provided students lesson plans, worksheet, audio-visual aids, assessment, teacher trainings, etc.

We religiously follow the latest teaching learning methods, to make the classroom learning more interesting and enduring.

### **Methodology –**

Well-structured lesson plans and activity planners to match the academic calendar of the school, are the supporting tools for a perfect weaving of the academic programme.

Technical support as already present in the school, as upgraded extra marks tool from V to X. Being an excellent technical partner, Extra Marks digital content help the Teachers and the students to move on their daily task of Teaching and learning with more enthusiasm and effective learning outcomes.

With help of technical support we had diagnosed deficient areas of students learning measures, record keeping.
